Subject: FW: Canadian Radium and Uranium Electronic Data

**** External Email ****

All,

See attached data from the NAREL lab. Looks like it is only for the rinsate blanks. I will look into when the soil data will be available.

Thanks,

Dan Gaughan

Subject: Canadian Radium and Uranium Electronic Data

Attached are electronic copies of data packages and a cover letter for the Canadian Radium and Uranium Project as well the EDDs for the data. Hard copies will not be sent unless requested.

Please let me know if you have problems with the files or require hard copies of the data packages and cover letter.

If you have questions regarding the data, please contact Cindy White at 334-270-7052.

NAREL reports data to the requestor only. If results are needed by contractors or others in your region, please forward this email along with its attachments as you deem necessary.
